 Concern for Others (Diplomats) Concern for Self (Assertives)

Interpersonal skills
 Empathy Motivation Self-Esteem Decision Making Commitment Interpersonal Awareness

Change requests
 CHANGE REQUEST 24093-D
 Type: AZB - in service motor in set cage ID: 24093-D Priority: high
 Deadline: ASAP Customer:
 Request: Replace control of set type AZB (broken)
 Abstract: Air bags of set type AZB automatically inflate on long distance. This is a service issue that must be repaired as all our vehicles have a recall/guideline of the set's electric control on Board 13-C. A repair plan for checks should be created and the production department needs an updated design.
